Newsletter

Volume 6 April 2011

Welcome to the April edition of the DSLC Newsletter. The excitement is growing as the scaffolding goes up to full height and the roof, vertical brick and blockwork, are all progressing. The stairs are all in place. The building is well on course for completion on time.

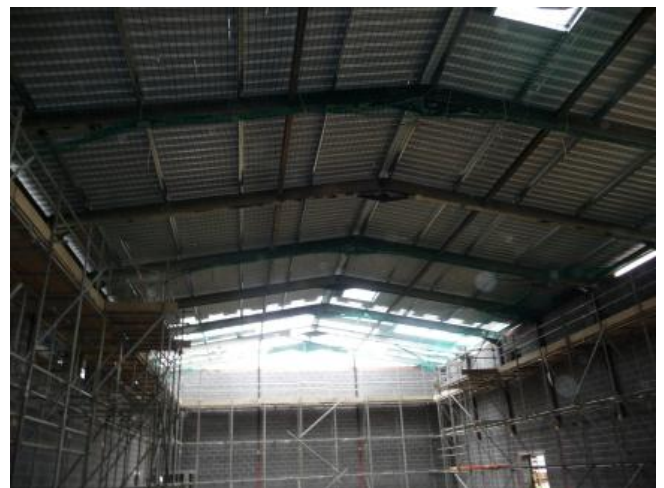

The West Elevation which overlooks the sports field.

North East (Front Elevation).

Archery range floor down and roof on.

Main Hall with the roof progressing.
